VISITING ASSISTANT PROFESSOR POSITION IN MATHEMATICS Guanajuato, Gto.

The Centro de Investigación en Matemáticas (CIMAT, <http://www.cimat.mx/>) is inviting applications from talented and highly motivated individuals in Applied or Pure Mathematics for a visiting assistant professor position. This position comes with a two-year contract, with the potential for a third-year extension, and is scheduled to begin in 2024 or early 2025. The applicants must hold a PhD in Mathematics before the position starts and should have obtained it at most six years before the start of the appointment. We seek people with a strong potential for excellence in research and teaching.

The usual teaching load is one class per semester. There are also opportunities to engage in interdisciplinary projects with government and industry in collaboration with CIMAT's consulting team.

CIMAT is part of the National Council for Humanities, Science and Technology of México (CONAHCyT) and is composed of three departments: Mathematics, Probability and Statistics, and Computer Science.

We seek to increase the diversity of our department. In particular, women are strongly encouraged to apply.

Submit the following items via email (plazas.basicas.temp2023@ciamat.mx) with your application:

- Cover letter (which could be the body of the submission email)
- Curriculum Vitae (if applicable, include identifiers in scientific databases such as MR number, Scopus Author ID and ORCID)
- Research statement
- Teaching statement
- At least two reference letters regarding research
- One reference letter regarding teaching

Knowledge of the Spanish language is not required. The deadline to submit material is November 3, 2023. We expect to start making offers by January 2024.
