

Visiting Assistant Professor in Mathematics

The Centro de Investigación en Matemáticas (CIMAT, <http://www.cimat.mx/>) is inviting applications from individuals with great potential for mathematical research for up to three Associate Researcher level C positions. These positions come with a two-year contract, with the possibility of renewal for a third-year extension, and are scheduled to begin during the second half of 2026. The applicants can apply if they are students in a doctoral program, but must hold a PHD in Mathematics before starting the position. They should have obtained their doctoral degree no earlier than January 1, 2021. We are looking for individuals with the capacity to excel in both research and teaching. The teaching load is one class per semester.

CIMAT is part of the Public Research Centers coordinated by the Secretary of Science, Humanities, Technology and Innovation (Secihti). We are committed to increasing diversity in our department and encourage applications from women. Equal employment opportunity and diversity are values at CIMAT, and we are committed to providing equitable opportunities for underrepresented groups.

Applications must be submitted via mathjobs (<https://www.mathjobs.org/jobs/list/28587>), with the following documents:

- Cover letter
- Curriculum Vitae (if applicable, include identifiers in scientific databases such as MR number, Scopus Author ID and ORCID)
- Research statement
- Teaching statement
- At least two reference letters regarding research
- One reference letter regarding teaching

Important Dates

- **Application deadline:** July 31, 2026.
- **Notification of results:** Starting August 15, 2026.
- **Expected start date:** During the second semester of 2026, subject to the availability of budgetary resources and the corresponding authorizations from the Secretaría de Hacienda y Crédito Público, (SHCP).

If you have questions, please email plazas.basicas.2026@ciamat.mx.
