

Tenure-Track Positions in Mathematics

The Center for Research in Mathematics (CIMAT, <http://www.cimat.mx/>) is seeking talented individuals with a Ph.D. in Mathematics or a related discipline, who have consistently conducted recognized original research and made contributions demonstrating independence as well as having contributed to the training of undergraduate or graduate students, to fill up **two positions of Researcher A** (equivalent to Assistant Professor), with the possibility of obtaining tenure, in the Pure Mathematics Area, starting during the second half of 2026.

We are seeking candidates willing to play an active role in strengthening or expanding our research areas, to maintain the international reputation of our graduate programs, and to participate in activities on popularizing science. The call is open to all areas of pure mathematics, but priority will be given to those working in Dynamical Systems, Functional Analysis, Partial Differential Equations, Algebra, or Topology.

The position may be based at either the Guanajuato unit or the Mérida unit.

Selected candidates must have a strong commitment to research, teaching and involvement in the academic and administrative activities of the center. The teaching load is one course per semester.

CIMAT is coordinated by the Secretary of Science, Humanities, Technology and Innovation of Mexico (Secihti).

We are committed to increasing diversity in our department and particularly encourage applications from women. Equal employment opportunity and diversity are core values at CIMAT, and we are committed to ensuring equitable opportunities for underrepresented groups.

Submit your application via mathjobs (<https://www.mathjobs.org/jobs/list/28586>), with the following documents:

- Cover Letter
- Curriculum Vitae (including scientific database identifiers, such as MR number, Scopus Author ID, and ORCID, if applicable)
- Research Statement
- Teaching Statement
- At least two reference letters related to research
- One reference letter related to teaching

Important Dates

- **Application deadline:** July 31, 2026.
- **Notification of results:** Starting August 15, 2026.
- **Expected start date:** During the second semester of 2026, subject to the availability of budgetary resources and the corresponding authorizations from the Secretaría de Hacienda y Crédito Público, (SHCP).

For any questions regarding this position, please email plazas.basicas.2026@cimat.mx.
